Dear Crew at AccuHealth,

Michael Riveiro
2nd Vice President

I just wanted to take time out to thank you for the amazing service that you provide to my members. The opportunity for early detection that your scans provide and the baselines set with these screenings has proven to be an invaluable tool in keeping my members healthy and "with us " for a much longer and much healthier life. I am so glad that I was introduced you and that I was somehow smart enough to realize how important your services are.

Please feel free to share this with any union contemplating your services and, by all means, offer my number to them if they would like to discuss it further.

Thank you again.

Most sincerely,

Billy Imandt
