It's my pleasure to write this recommendation letter on behalf of AccuHealth Group.

NYSPEC (New York State Public Employee Conference) is an association made up of over 70 New York State Unions, of which I have proudly served as the Chairman for the past 18 years. We represent the interests of public employees, striving to improve their working conditions, and fighting to preserve and enhance their lives.

Representing the Union member's best interest, NYSPEC places a stringent vetting process on any vendor that we have our members use. We take the measures of vendor approval quite serious, since we will recommend the vendor to all members of our association.

We are pleased to have AccuHealth Group as an approved vendor since 2014. Several members of our organization work with them on a constant basis and the feedback that I receive is outstanding.

If you have any questions, please feel free to contact me.

Sincerely,

Peter D. Meringolo
Chairman
